COURSE SELECTIONS 2024/2025
Asynchronous eLearning Courses

Students are required to complete two online learning credits as part of the 30 credits required for the Ontario Secondary School Diploma (OSSD). It applies to students who entered grade 9 on or after September 1, 2020. Although students working towards an Ontario Secondary School Certificate (OSSC) or Certificate of Accomplishment are not required to complete this new graduation requirement they may take eLearning courses.

The graduation requirement is intended to support students in developing familiarity and comfort with learning and working in a fully online environment, as well as developing digital literacy and other important transferable skills that they will need for success after secondary school, including in post-secondary education and the workplace.
